

CHECKLIST

Gaming equipment:

- ☐ PC with admin access
- ☐ Gaming console with controllers
- ☐ Screen/monitor and keyboard
- ☐ Laptop charger and other cables
- ☐ Ethernet/internet cable with 10-15 meter length
- ☐ Power cord with enough sockets for your equipment
- ☐ Mouse and mousepad
- ☐ Headset
- ☐ If you are planning to use a laptop with no ethernet cable connection, we strongly recommend you acquire a USB to Ethernet adapter. This due to weak wifi signal in the Arena.

Downloading games and updates:

Everyone must make sure that all the games and updates are downloaded at home before arriving at Oslofjord. This is to prevent the LAN network from being overloaded.

Table space limitations:

Everyone is given a table area of 90x75cm. This has to be taken into account, when deciding what equipment to bring.
